

Percy Main Primary School

NEWSLETTER

Issue 1

Thursday 31 October 2002

This is the first of a weekly newsletter that we intend to send to parents. You may have noticed that often children leave school at home time clutching a variety of letters and papers, some of which never seem to arrive home. We felt that perhaps a weekly newsletter may overcome some of these problems. Every Thursday evening your child should bring home a copy of the Newsletter. If you do not receive your copy please let the office know and we will arrange to get one to you. Unfortunately there will be occasions when your child will still have to be given a separate letter but hopefully if the scheme works these should be rare occasions. Providing this proves to be a success, our weekly Newsletter will replace the End of Term Newsletter.

NURSERY are getting very short of small toy cars and would like to appeal to anyone who has some spare cars, vans, trucks, helicopters that are no longer needed. They would be very grateful for any you could spare.

Many thanks for the very generous support you gave to our HARVEST FESTIVAL. Over 1,500 pencils were donated along with £127.29 in 'pennies'. Miss Brownrigg was able to buy lots of stationery, books, paper, pencil sharpeners and some boxed games for the school which has absolutely nothing. These will be sent very shortly. Because of the generosity of the parents and children of our school we have enabled many children to attend the school in Africa.

A very kind offer has been made by a friend of our school to arrange to have the box sent to Africa by U.P.S. The children will be able to track the journey of the box from England to Africa. The children have been colouring in giraffe pictures in the playground and these now cover the box. We feel that in this way lots of our children have sent something personal to the children in Africa showing them how much we care about them.
