**Bulletin No: 4**

**27<sup>th</sup> May, 2016**

Welcome to our fortnightly news bulletin.

Since our last bulletin on 13<sup>th</sup> May, the Governing Bodies of all 5 schools have met and ALL five Governing Bodies have formally passed a resolution to convert to a Multi-Academy Trust. This is exciting news!

The Governors had to consider all responses received during the Consultation period before making a decision.

The five Headteachers of each of the schools, who form the Headteacher Group in our Multi-Academy Trust structure, have continued to have meetings with representatives from a range of service providers over the last two weeks, including Banks and Graphic Designers (for the North of Tyne MAT logo).

A meeting of the Project Steering Group, which comprises of the Trustees/Directors and the Headteacher Board, took place on Monday 16<sup>th</sup> May where items on the agenda included the Funding Agreement, Due Diligence and the Commercial Transfer Agreement.

We continue to address the actions as identified in the Project Plan which was drawn up by our legal advisors, Muckle, who also continue to complete actions on behalf of the individual schools and the MAT.
