

# ECO CODE for Percy Main Primary School

**P E R C Y**

Prepared to take on the challenge

Encourage energy awareness

Reduce, reuse and recycle our waste

Committed to generate compost to meet our own needs and complete the challenges of nature and life

Your ideas count

**M**

Manage our own healthy lifestyles by walking or cycling to school

**A**

Alert others to the effects of climate change

**I**

Investigate opportunities that ensure we do our best for the environment

**N**

Nature is just as important as us  
-VALUE IT
