## Parent's Evening

Please do not forget to bring your parents evening forms back in. We will be collating all the responses soon to let you know your time slot as early as we can. During parents evening there will be some mouth watering food on offer for you to enjoy from

our lovely cook Andrea and of course tea and coffee. This will be another chance to meet your child's class teacher and find out about the progress they are making.

Huge thanks to all the parents, grandparents and carers that came along to our 'bring a parent to school day'. It went really well. We had lots of positive feedback from parents and staff. 42% of children had someone attend with them. During the

event you should have received a booklet about what the expectations are for your child by the end of the year. We are hoping these will help you to understand what your child will be learning . If you did not receive your booklet they are on our website or you can pick one up at the office.

Our Harvest Festival is going to be on the 26 October at 2pm. If you can please bring in any tins, jams, biscuits or cereals we will redistribute them to those most in need in our local area. We hope you can join us for what will be a wonderful celebration.

### Dates to remember

- 17 & 18 October  
Parents evening
- 19 October  
Ground Force Day 1pm
- 23 October  
Immunisations  
Reception to Year 5

- 26 October  
Nursery and Rainbow  
Halloween Party
- 29 October to 3 November  
Half term holiday
- 5 November  
Teacher Training Day
- 9 November  
Pumpkin carving competition

Hoodies are not to be worn in school, only green school jumpers. Hoodies will be taken off children at the start of the school day and given back to them at the end. This is due to children putting their hoods up while in school and this is not acceptable. We strive to make sure that high standards are maintained at our school and rely on your support.

Don't forget to get your thinking hats on for our pumpkin carving competition on the first week back after the half term holidays. Please bring in your carved pumpkins on Tuesday 6 November and these will be on show for all to see until Friday 9 November when the winners will be announced. There will be 1st and 2nd prizes for all classes, good luck and happy carving.

We have not had many forms back for our upcoming trip to Robinwood. If we do not get enough interest the trip cannot go ahead. If you would like your child to take part in this wonderful adventure please return your form by Monday 15 October. If you have lost your form just pop into the office.

On the 25 October we have a special visitor coming in to present a super workshop to this terms winning house. We have booked Cool Science who you can find on Facebook. We are sure you will agree this looks like it will be a fabulous event, please let your children know what they are working towards.

Thank you to all the parents and families that came to support our MacMillan coffee afternoon. I am sure you will agree it was a great event. The cakes and donations we received were overwhelming and we wish to extend our great thanks to you all. We managed to raise £302.68 which will go straight to MacMillan; a very worthwhile cause.

We are having a teacher training day on the first day back after the October half term holiday (Monday 5 November), therefore children will be expected to return to school on Tuesday 6 November.

A special thanks this week must go to Freya for donating two bikes for our outdoor area. This was an act of great kindness, truly showing the ethos of our school. Thanks must also go to our whole community for all the raffle prizes that were donated to school for our MacMillan event. We always feel so lucky as a school to have such a supportive community.
