

# After School Club

There will be NO after school clubs on Thursday for the rest of this term. This is due to parents evening and the Halloween disco.

Parent's Evening

A lot of parents have already brought in their slips for parents evening and times slots are filling up fast. This is a great chance to meet your child's teacher and discuss their progress. If you have lost your form just come into the office and we will allocate you a time that suits your families needs.

Nursery and Rainbow  
Halloween Party
- 29 October to 3 November  
Half term holiday
- 5 November  
Teacher Training Day
- 9 November  
Pumpkin carving competition

We sent out letters to years 5 and 6 for the residential trip to Robinwood, but we have not had as many responses as we would like.

It is a fantastic opportunity for the children to be part of. The centre is located in Alston and set in over 9 acres of land lying on the Cumbria/Northumbria border. It offers fantastic provision for challenging activities and benefits for an impressive climbing wall. If you do not have a form just come to the office.

On Monday are Year 1 and 2 children are going on a trip to the Rising Sun. The children are going to be taking part in two workshops. This will fit in well with our current topic 'Go Wild'. We are sure that this will be a great day for all the children. If you have not brought your forms back in please bring them to the office, as we must have parents permission to allow your child to go.

Tomorrow is the last day to hand your school photograph forms back into the office. Please make sure that we have the order plus payment in the envelope (you can put cash in). We can place late order but these would incur a 'late order charge'.

We have a new room called the Dragon Room which is for our Key Stage 2 children. This room will help them to reach their full potential, it is filled with resources that will keep them motivated about learning. The teacher that is based in this class is called Miss Kent, parents met with her last Thursday after school.

Last week year 4 parents got to come into our parent lounge and meet the new year 4 teacher Mr Mitchell. We had a great turnout from parents and some wonderful feedback. Mr Mitchell has already settled in well to school and we are sure that he will have a great impact on your children's education.

On last weeks newsletter I had made a mistake. Our lovely cook is not called Andrea, she is called Amanda huge apologies. She does so much for our school from preparing wonderful food, to making up all our packed lunches for trips out and greatly supports the office.

On Wednesday we had a fire drill and we were so proud of all the children and staff. We managed to get everyone out safely and the registers checked in 3 minutes 26 seconds. Fire drills are very important to make sure everyone is aware of the fire evacuation plan and to check the alarms are working correctly.

One of our nursery girls Lexi completed the memory walk for the Alzheimer's Society. She brought in her certificate and medal to show the class. Well Done Lexi for supporting such a worthwhile cause.

We run a wonderful FREE breakfast club every morning for all of our children which is a great asset to our school. However we are running low on breakfast cereals. If you could donate any please bring them into the office and we will pass them onto Mrs Leslie.

*Thanks*

This weeks special thanks goes to Mia and Bentley for donating a bike for our outdoor area. We are getting lots of lovely things donated but keep them coming. Any donations please bring to the office, thanks again for your support.
