Issue 623

Thursday 22 November 2018

Children from years 4, 5 and 6 who are attending Robinwood must have their medical forms returned by tomorrow. The cost for this wonderful trip is £110, this must be paid by the 21 December to the office.

Tomorrow is the last day that you can inform us that your child would like Christmas dinner on the 12 December. Don't forget that this is a whole school event and we would love parents, grandparents and carers to join us to make this a fabulous celebration.

Christmas jumper day is the 14 December and children can wear their jumpers for a donation of £1. The money raised will go towards the charity Save the Children. This is a fantastic charity that help to change children's futures for the better.

Our Christmas Craft Day is the 4 December from 9am till 11am, this will be a great morning. You will get to go along to your child's class and work with them to make some amazing festive creations, that we are sure will be the centre piece in your homes.

20 December
Polar Express
Nursery and Rainbow Room
Come in pyjamas

21 December 2pm
Carol Singing

Christmas Fayre

Tomorrow is our Christmas fair from 2pm till 3:30pm. We have novelty stalls like a chocolate tombola, knock Santa off his chimney, cakes, pre loved toys and various others. Refreshments will be available including hot chocolate with whipped cream. We also have a special visitor which will cost £2 per child. This will be a wonderful event and a great way of starting our Christmas celebrations.

Yesterday JTF donated an amazing Christmas Tree which you can see on our Twitter page, huge thanks to them for their kindness and support. Mrs Leslie, Mr Osfield and the elves worked hard to decorate it and we are sure that you will agree it looks fabulous. The children's faces this morning when they came in were all smiles of happiness, it was great to see.

This week we took delivery of some very exciting festive friends from St Oswald's Hospice. They will be on sale tomorrow at the cost of £2. There are 4 little friends to choose from. These include a puppy, a snowman, a pink unicorn or a blue unicorn. I am sure they will sell out quickly, they would make a lovely addition to any Christmas tree.

This Saturday (24 November) at Meadow Well Connected, Waterville Road in North Shields at 11 till 3 there is going to be a toy swap. Just bring along a toy that you no longer want and pick up something else free of charge. It will be a great community event, bringing everyone together.

We have had a few people asking about when our Cauliflower cards are coming back into school. When we contacted them they advised that they are currently being processed and made, they should be with us on week commencing the 1st December. We are very excited to take delivery of these as they always look wonderful and the children love to see their art work on the front of a Christmas card.

Our school choir are currently practicing their carols to perform in front of some very special people in our community from the carers centre in North Shields. This will be on the 10th December in the afternoon. Our children are really looking forward to this and it is a lovely thing to do before Christmas to support our community.

Thanks

Huge thanks for all the donations for our school fair tomorrow, we are sure that it will be a wonderful event. Please come along to support us.
