Christmas craft day was a great success. 53% of our parents attended. Parents made some wonderful items with their children to decorate their homes. The children really enjoyed working with their parents, their faces said it all. Thanks to all the parents who came to support this event, it was very well received.

Our Christmas dinner day is fast approaching and we have now given final numbers to our amazing cook, Amanda. She will be cooking up a delicious lunch for us all and we can't wait. All outstanding monies for this lunch must be paid tomorrow. Due to large numbers we are having two sittings, you will get a text on Monday advising you of the time to arrive.

## After School Clubs

After school clubs (including Newcastle United football sessions) will finish tomorrow. All the children that attend clubs thoroughly enjoy themselves and have a wonderful time. They give the children lots of extra curricular activities at no cost to our parents. Look out for the new after school lists coming out next term.

The children were thrilled to receive their calendars and we are getting updates daily as to what they have found hiding behind the doors.

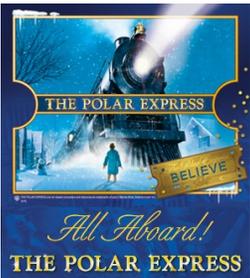

## Christmas Play

Our children are all working hard at the moment on their performances ready for our Christmas productions. Tickets are on sale now from the office at £2. Please try and come along to support our children and our school. The children and staff put a lot of hard work into these performances and they are always beautiful to watch. All the children put their hearts and souls into making it a wonderful performance.

The children will find out about the wonderful story of The Polar Express and follow the magical adventure, while learning about friendship, bravery and the spirit of Christmas.

Year 6 are currently coming around classes with the last of some mini festive friends. These are £1 each and there is a selection of friends to choose from. St Oswald's Hospice is a fabulous charity that help both adults and children as well as their families at a difficult time in their lives.

This term Year 6 have been going swimming on a Tuesday. The last swimming session will be Tuesday 11 December. Next term it will be year 5's turn, you should have all received a letter about this. The cost of transport is £2.50 which is a weekly payment and the first swimming lesson is Tuesday 8 January. Payment can be given to your child or paid at the office. Swimming lessons are free for the children and your contribution of £2.50 helps us to cover the cost of the transport needed to get them to the pool.
