Our children had a wonderful time at Robinwood this year. They took part in a wide variety of activities during their stay, which they all thoroughly enjoyed. The children were all an absolute delight during the trip. There will be a chance to come into school to see the photographs that were taken but the date has not yet been confirmed.

This term we are welcoming three new apprentices to our school. Miss Whittaker is supporting our nursery class, Miss Faircloth is supporting our Bumble Bee's and Miss Lishman is working in the office. We welcome them to our school and hope they have a wonderful time here.

Our year 3 and 4 children are going on a trip to the Discovery Museum on Monday. This should be a fantastic educational visit. They are learning about inventors and the inventions that they have made. After they have been to the museum they are getting back on the coach and going to the Quayside to have a look at the bridges and how they work. The cost of the trip is £3.50 per child. There is a gift at the museum so the children can bring in £2 or £3 to get a little something, but this is entirely optional. We hope the children will have a fabulous time and come back with a wealth of information ready to use in class.

Final day at school before Half Term

Yesterday children in years 1 to 6 had the opportunity to go to the Theatre Royal in Newcastle to see Goldilocks and the Three Bears. It was a magical pantomime, packed full of hilarious routines and dazzling special effects. If you have not paid for the ticket, please bring £7 ASAP to the office.

Also our wonderful cook Amanda made us all a delicious Christmas dinner which some parents still have not paid for. Please bring your money to the office ASAP.

It is very important that all trips and events are paid for. Any children who have not paid for either the panto or the Christmas dinner will not be able to go on any further trips without payment first as we must recoup these costs.

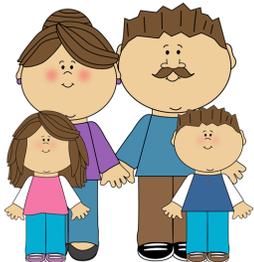

This term year 5 are going swimming with school on Tuesday afternoons. Please make sure that they all have a swimsuit and towel with them. The cost is £2.50 which is a weekly payment. Payment can be given to your child or paid at the office. Swimming lessons are free for the children and your contribution of £2.50 helps us to cover the cost of the transport needed to get them to the pool.

Please do not forget to follow us on Twitter. If there is any adverse weather we will be putting a note on Twitter to inform parents and carers of any school closures. Also daily updates about what your children are doing in school are communicated on here. Let's try and get our followers up in numbers this term.

The library bus is coming to school on Wednesday 16 January. The children really enjoy being able to pick a book from the bus and take it back to class to read. We are again inviting parents to come along and enjoy a book with their child at 3pm. All parents who are coming to this event must come through the main doors and we will take you along to your child's classroom. The children all loved their parents coming into school to share a book last time and we are hoping this time will be no different. This helps to embed a love of reading and this is a joy to see.

Our parent lounge is back in full swing again. If you have any questions or queries please drop in and Mrs Leslie will be happy to help. Even if the problem is outside of school she may be able to assist. If you are having problems filling in forms either school related or other she will help you out with this as well.

There is also tea and coffee available for 20p—perfect for those cold mornings!!

The room is open Monday to Thursday 8:45am till 9:15am and 3:00pm till 3:30pm.
