GOAL

Friday 01 February 2019

Yesterday some of our year 6 children took part in the Littleton League Football tournament with local schools in the area. They did amazingly well and were a credit to our school. We were also the only

school to take both boys and girls and they all played brilliantly. We won one of our games and drew one. The amount of effort and determination in all our players was commendable. Well done to all our pupils that took part in this great achievement.

Yesterday we had a drop in session for parents of the children who attended Robinwood. This went extremely well. It gave parents the

opportunity to have a look at the photos that were taken and discuss the trip with their children. This event was well received by all and a great success.

There has been an increasing number of dogs coming onto the school premises. Dogs are not allowed at all on the school grounds, except guide dogs. Please can all dogs be kept off the premises. Thank you for your continued support.

The library bus is coming to visit us again on the 27 February. Due to this there will be another chance to pop along to your child's class to read with them at 3pm that day. This will further engage the children and promote the enjoyment of a good book. Please come and join in the fun.

Dates to remember

Monday 4 February

Last terms house rewards

Tuesday 5 February

Dental Nurse for age 5 children

Wednesday 6 February

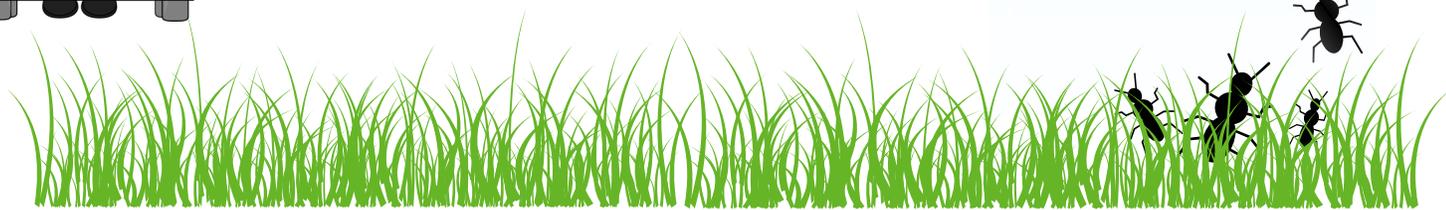

Year 4 Skipping Workshop

Friday 15 February

Final day at school before Half Term

Wednesday 27 February

Library bus visit

Could we please ask that any money owed to the office be paid ASAP. We need to recoup these costs so we can reallocate the funding into other trips and supplies for our school.

The dental nurse will be coming into school to complete a dental check on all our age 5 children. You should have received a form if your child is 5 to complete and return. Please can these be returned to school by Monday .

Last term Lighthouse earned the most points for their house team. We had booked a special visitor for the end of last term but unfortunately this had to be cancelled due to factors beyond our control. Instead they had a morning of fun and games with our teaching assistants. We explained to the children at the time that we would have to rebook the special visitors for them and we have. They will be coming to our school on Monday and we cannot wait.

Your children should now all have their new homework books. The work inside relates to their learning over the past week. By helping your child to complete their homework you will be consolidating their learning and you will get an insight into what your child has been learning.

Please look after these books they are yours and should be returned next week for the teachers to make sure that your child is completing their work.

Please do not forget to follow us on Twitter. If there is any adverse weather we will be putting a note on Twitter to inform parents and carers of any school closures. Also daily updates about what your children are doing in school are communicated on here. Follow us at @percymainschool .

When coming into school can all parents please make sure that children are using the paths and not walking across the car park, as this is dangerous. Also can all cars refrain from parking on the zig-zags and double yellow lines while dropping children off or picking them up, as this is a hazard to both pedestrians and other road users. Thank you for your help in this matter and as always for your continued support.
