Issue 633

Friday 01 March 2019

Yesterday our year 1 and 2 went on a wonderful trip to the Baltic. All the children had a great time as well as the staff. They looked the 7 bridges along the River Tyne and took part in a super workshop ran by an artist Louise Bradley.

They looked at how to draw bridges and how bridges are made. Today the children were also making a bridge from a paper plate and 2 plastic cups. We had some fabulous creations in class which they all enjoyed making. The trip helped to consolidate their learning about the topic that they have been doing in class.

Yesterday we took delivery of our new lockers. All children will be allocated a locker from years 1 to 6. This means that they will have a place for all their things and hopefully we will have no more missing items within school. The children are really excited about having these. They are lovely bright additions to our school making the halls look very presentable.

World Book Day is on Thursday 7 March. We have bought all children a white t-shirt and they will be designing it with their favourite book on, ready for the event. If you have already got a costume for World Book Day the children are welcome to wear these also.

We are having an assembly on the day and prizes will be given for the best t-shirt design from each class. At 2:30 parents are invited into school to collect their child from class and take them for a story and refreshments in the hall. Cakes will be available for sale. Morning Rainbow Room parents are welcome to join us at 11.15 to share a book and enjoy a cuppa.

## Dates to remember

Monday 4 March

Dance Festival practice

Wednesday 6 March

Dance Festival

Thursday 7 March

World Book Day

Monday 11 and Tuesday 12  
March

Parents evening 3:30 till 5:30

Friday 15 March

Red Nose Day - wear red for  
a donation

Wednesday 27 March

Library bus visit

Wednesday 3 April

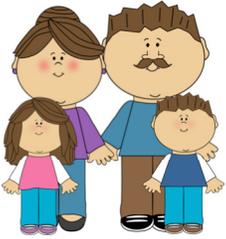

Reception and Year 6

Heights and Weights

Thursday 25 April

The daily mile challenge

One of our parent governors, Mrs Nelson, would like volunteers to help run the parent lounge. If you would like to help please pop into the office and we will pass your name onto Mrs Nelson. We hope this will become a hub where you can pop in for a cuppa and a chat. We wish to thank Mrs Nelson for all her help and support with this.

Parents evening will be on the 11 and 12 March between 3:30 and 5:30. Letters will go out soon. Our wonderful cook Amanda will be putting out taster bowls of food for you to enjoy as well as freshly baked cakes and biscuits. We hope this will be a fabulous event as always.

We are selling red noses for £1.25 each. The new designs look wonderful and you can even make a castle with the boxes. On the 15 March children can come into school wearing red for a donation. All money raised goes towards Comic Relief who help others in the UK who are living tough lives.

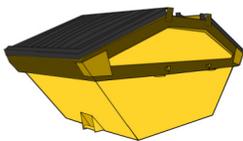

On Thursday 25 April our school will be taking part in the Daily Mile challenge. The aim of this is to help children across the UK to be fitter, healthier and happier. We cannot wait to take part. All our children enjoy it as well as our staff!

The library bus is coming to visit on the 27 March. As always you will be able to pop along to your child's class to read with them at 3pm.

The year 6 SATs are going to be completed from Monday 13 until Friday 16 May. All year 6 children must be in school when these are on. Mrs Leslie puts on some lovely bacon sandwiches to help them focus.

We have a skip coming into our school yard on Tuesday which will be picked up as soon as possible. We realise that this can be an eyesore, but we hope that you understand that it is part of keeping our school site safe and tidy. We teach the children to stay safe by keeping away from the skip at play times, but we would appreciate your help to reinforce to the children that the skip is not a toy and to stay away from it. Thanks again for your continued support.
