Friday 08 March 2019

Yesterday was World Book Day and the whole school got involved. We bought white t-shirts for everyone in school including the staff and we decorated them with our favourite books. During assembly prizes were

awarded for the best t-shirt per class. Everyone had put a lot of effort into making their t-shirts. They were all fabulous. The children thoroughly enjoyed decorating their t-shirts and wearing them, they were walking the hall with pride. During the last couple of days the children have also been busy baking lots of lovely treats for parents to enjoy. We invited parents to come along and share a book with their child at the end of the day while enjoying a cake made by the children. This was very well received and a lot of parents and other family members attended. We would like to extended our thanks to all who came to help us share in this great event, the children loved every minute.

On Wednesday some of our children attended a dance festival at the Parks after school. The children have been practicing at an after school club to make sure that their routine was the best it possibly could be. The costumes were very effective and the routine was full of energy and spirit. Our children did us

proud, they put on an amazing performance. This was a ticketed event and DVD's were also for sale at £5 each, these are a lovely keepsake. Both the children and staff had a wonderful time, thank you to all involved.

In the morning the doors to school open at 8.45 and stay open until 9.00. Children should go to class through their designated door and not through the main doors. If your child arrives at school after gam please report to the school office so they can be marked on the register.

Dates to remember

Monday 11 and Tuesday 12 March

Parents evening 3:30 till 5:30

Friday 15 March

Red Nose Day - wear red for a donation

Wednesday 27 March

Library bus visit

Wednesday 3 April

Reception and Year 6

Heights and Weights

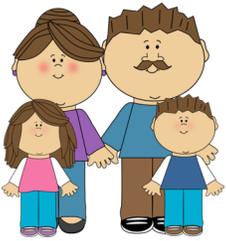

Thursday 25 April

The daily mile challenge

Week commencing 13 May

Year 6 SATs

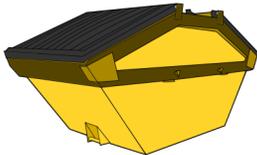

One of our parent governors, Mrs Nelson, would like volunteers to help run the parent lounge. If you would like to help please pop into the office and we will pass your name onto Mrs Nelson. We hope this will become a hub where you can pop in for a cuppa and a chat. We wish to thank Mrs Nelson for all her help and support with this.

Parents evening is this Monday and Tuesday (11 and 12 March) between 3:30 and 5:30. If you do not have your time slot do not worry just pop into the office and we will put your name on the list. Our wonderful cook Amanda is putting out taster bowls of food for you to enjoy as well as freshly baked cakes and biscuits. We hope this will be a fabulous event as always.

The library bus is coming to visit on the 27 March. As always you will be able to pop along to your child's class to read with them at 3pm.

As you have seen there is a skip on the school yard. We realise that this can be an eyesore, but we hope that you understand that it is part of keeping our school site safe and tidy. We teach the children to stay safe by keeping away from the skip at play times, but we would appreciate your help to reinforce to the children that the skip is not a toy and to stay away from it. Thanks again for your continued support.

After School Clubs

On Monday and Tuesday after school clubs have had to be cancelled due to parents evening on those days. We apologise for any inconvenience this causes but they will resume the following week.

During World Book Day we achieved the grand total of £172.31 which is going towards our wonderful library. We would like to extend a special thanks for a generous donation made by a family of a child in our Rainbow Room, this was very warmly received.

If parents/carers wish to speak to a class teacher or member of staff you can do so at the end of the school day. All teachers see their children out of school and are available to talk then. In the morning they are teaching our children and we cannot disturb the lessons.
