School Uniform Request

We understand that the cost of school uniform can be a burden for families who are experiencing financial hardship.

We have been awarded a grant to subsidise the cost of school uniform, and will use this grant to support families in need through a referral process.

If you would like support with the cost of school uniform, please complete the referral form below. Applications will be considered on a case by case basis and will be dependent on the funding available at the time of application. We may ask for a contribution towards the cost of the uniform supplied.
