

Rainbows Long Term Plan

Knowledge & Understanding

	Autumn 1	Spring	Summer 2
Knowledge and Understanding Past and Present	Begin to make sense of their own life- story and family's history.		
Knowledge and Understanding People, Culture and Communities	- Make connections between the features of their family and other families. - Notice differences between people.	- Begins to question what makes them unique and can describe what they feel is special about them and others. - Shows an interest in digital devices such as IPADS - Begins to question what makes them unique and can describe what they feel is special about them and others.	
Knowledge and Understanding The Natural World	- Repeat actions that have an effect. - Explore materials with different properties. - Explore natural materials, indoors and outside. - Explores objects by linking them together (shaking, hitting, pulling, poking or tasting)	- Explore and respond to different natural phenomena in their setting and on trips. - Begins to notice the changes in season and their outdoor environment - Enjoys toys with buttons, flaps or mechanisms and how to make them work (cause and effect) - Enjoys play with small world models such as cars, farm animals, dolls house trains or tools	- Talks about the impact of these changes and suggests ways to support the wildlife. - Talks about and recognises the changes to clothing in relation to the season - During pretend play in home corner, children will imitate everyday actions and events such as washing dishes or making a cup of tea.
